Subject: Re: Solis / 216 W. Slauson Avenue - update on demo permit

I have forwarded your request to Jason Aspell, Manager for review and approval.
Please call him ASAP at 909-396-2000.

With specific details, Contractor name and estimated start date.

Michael, you had mentioned an emergency waiver for time constraints; I think this situation applies, and I would like to make that request.

Thank you,

Good morning,

The demolition paperwork is in the hands of the attorney for the Owners. The demo contractor has the AQMD forms and will be submitting as soon as all of this is approved to move forward. Let's get the owners approvals and were ready in a couple days to commence.

Thanks for all of your help.

GEORGE PONDELLA

Good morning,

The final building Planning meeting is scheduled for Monday the 4th. The planner has been out of town and returns that day. I shared the R1403 / 40CFR 61 form requirement. We will obtain this. There is also another form that the city wants notarized that we will have Monday.

The work will not begin Monday. Ill inform the group as soon as the city issues the permit and demolition is scheduled.

Have a great day.

I trust that it can begin immediately. We're looking at
that first week in November.

Thank you George,

IF you get clearance and pick up the permit on
Wednesday, when will the actual work start?

Subject: RE: Solis / 216 W. Slauson Avenue - update on demo permit

Update on the demo permit for Slauson:

We received the notarized owner's declaration form in our office yesterday. Bill submitted the form to the Building Department this morning. At the last counter review, Bill was told that this this owners' declaration

form was the last item needed before pulling the demo permit.

This morning, Bill was told that they (Bldg Dept) made a mistake by missing required 4 departmental clearances. Listed below are the required City Clearances necessary to obtain the demo permit:

1. Planning Department - City Planning Commission. CLEARED today 10/25/19.
2. Metropolitan Transportation Authority (MTA) - Construction within Metro Rail Project Area. CLEARED today 10/25/2019.
3. Planning Department - Southeast Los Angeles Community Plan Implementation Overlay (CPIO). Expected clearance on Monday October 28 when planner who handles area returns to work.
NOT YET CLEARED.
4. Community Redevelopment Agency- Project located in CRA Area Council District 9 Redevelopment Project. Public CRA Counter opens for clearances Tuesday, Wednesday & Thursday. Per the request of the Planning Department, Bill sent an email to the agency today asking them to expedite this. Expecting to have this cleared by end of day on Tuesday.
NOT YET CLEARED.

If the 2 remaining items are cleared on Tuesday, we can then pull the demo permit on Wednesday, October 30.
